President Edelatein's Defeat.

The meeting of the Board of Pinance last evening Fresident Edeistein's resolution, declaring vacant as office of Comptroller Samuel D. Dickinson, by so Demodratic votes of Commissioners Hardenergh and Warren cast in with the Republicans, is invest as hard a blow at the Liquor Deslers' Association as the passage of the High License law at reston by Col. Dickinson and his Republican olicagues. The solitary condition of Fresident Edeistein's own vote in favor of his resolution is considered one of the worst of his political defeats.

POWDERLY WILL SIT IN 49. soral Moster Workman to Assume His

The latest report in connection with the trouble in District Assembly No. 49 is that General Master Workman Powderly has been appealed to by prominent Knights of that body, and will preside at next Sunday's ses-

body, and will preside at next Sunday's session to prevent further difficulty. He will also, it is mid, demand of Master Workman Quinn the surrender of the charter.

Just what effect this will have on the final result remains to be seen. It will certainly give all hands time to consider the matter caimly and enable the law of the order to take its course.

A leading knight of No. 49 declared to-day that Master Workman Quinn will never sit again in authority, and others indorsed the declaration.

It was reported among the Knights that George W. Dunne and David J. Naughton had visited Scranton and that after they had laid all the facts of the recent trouble before the General Master Workman, he resolved to put a stop to further dissensions and disruptions by assuming his prerogative as the chief Knight to open and close No. 49's conclave uext Sunday in the regular way.

The talk over this move was not great, because few knew it. Those who did looked upon it as a masterly movement, and considered it a great point in favor of Quinn's opponents.

At 40's headquarters in Pythagoras Hall

opponents.

At 49's headquarters in Pythagoras Hall this morning John J. Bealin claimed that Mr. Powderly had no such prerogative as is spoken of above and was said that Mr. Quinn would preside at the meeting.

On the other hand it was claimed by Geo. W. Dunne, of the committee which visited Mr. Powderly, that Quinn is no longer Master Workman of the district; that he cannot lawfully sit, and that since he holds 49's charter in his possession, leaving the assembly without any, the General Master Workman is the only person who can act in Quinn's place.

Labor Notes. The Building Trades Section will meet to-night. The annual picule and games of the Journeymen Harness-Makers' Union will be held at Jones's Wood June 24.

A telegram from Boston announces that Cardinal Gibbons proposes to establish in this country workingmen's failes similar to those in France and Germany. They will be for educational and beneficial purposes, but will not regulate wages nor hours of work.

The employees of A. Friedlander & Co., suit and cloak makers, will give their annual picnic and summer night's festival at the Empire Colosseum, at the foot of East Sixty-eighth attest, this afternoon and evening. A feature of the occasion will be the attendance of a delegation of "models"—the handsome young women to whom the latest garments are fitted.

At the meeting of the Tobacco Trades Section last night that body refused to receive a committee of the Miscellaneous Section, which called for the purpose of getting aid for the concert of the Jewist Chorus Union at the Windsor Theatre. It was said that certain members of the union made engars at less than union rates, and the union cigar-makers should not, therefore, be asked to assist them.

DR. JOHN P. NEWMAN ELECTED.

He Is New & Blahop of the Methodist Epis copal Church.

In the Methodist Episcopal Conference resterday, on the fourteenth ballot, Rev. Dr. John P. Newman was elected Bishop, receiv-

John P. Newman was elected Bishop, receiving 320 votes out of 438.

As this result of the two days of voting was announced, the enthusiasm among the friends of the successful candidate was very marked, and Mrs. Newman came in for a full share of the congratulations.

Bishop Newman was born in the Five Points in this city. He made a quiet war record by presiding over a confiscated church in New Orleans, and during the latter years of Gen. Grant's life his name was frequently associated with that of the great soldier. Dr. Newman was a great friend of the darkies, and Mrs. Newman was known and loved on both sides of the Jine.

The remaining vacancy in the Episcopacy was filled by the election of Dr. Goodsell.

J. M. Phillips and Sanford B. Hunt were this morning elected Book Agents for New York.

SIR CHARLES TUPPER HERE.

He Resigned from the Canadian Cabine

wife and daughter, arrived at the Hotel Brunswick this morning, and will sail for England to-morrow. His departure from Canada was very sudden and in connection with important cabinet changes which were aunounced yesterday, is the prevailing sensation across the border.

Bir Charles resigned as Finance Minister at the Privy Council at Ottawa yesterday, and was made High Commissioner in London. Mr. G. Foster, Minister of Marine and Fisheries, succeeds him, and it is said that his son, C. H. Tupper, will replace Mr. Foster. Other changes are expected.

The split is said to be due to the fact that Bir Charles favored reciprocity with the United States, while his colleagues are high protectionists.

Until this morning it was supposed that Sir Charles had gone to Boston.
